EDUCATION

Marquette University Diederich College of Communication

Milwaukee, WI

Major: Digital Media

Minor: Advertising

Expected Graduation Date: May, 2020

St. Louis University High School

St. Louis, MO

June 2012-May 2016, Graduate

EXPERIENCE

Marquette Wire

Video Projects Editor (2017-present)

Milwaukee, WI

As a member of the Marquette Wire, Marquette University's Student Media organization, I am heavily involved in journalism, television and radio production, and other forms of media.

Diederich College of Communication

Production & Broadcast Resource Specialist (2017-present)

Milwaukee, WI

The Production & Broadcast Center in the Diederich College of Communication provides students at Marquette University with the equipment, facilities, and support to create in various mediums. As a Production & Broadcast Resource Specialist, it is my job to manage the equipment and facilities owned by the college. I work with students on a daily basis loaning out microphones, cameras, and other production equipment as well as teach them how to use it. In addition, I also assist professors and the rest of the Marquette community with using our studio spaces.

Captiva Marketing

Multimedia Intern (May-August, 2017)

St. Louis, MO

Captiva Marketing is a digital marketing and multimedia firm in Sunset Hills, Missouri, a suburb of St. Louis. As a multimedia intern I worked primarily on video, photo, and graphic design projects for clients ranging from local law practices and boutiques to national brands and companies.

Insite Advice

Intern (August 2015-August 2016)

St. Louis, MO

Insite Advice is an SEO and internet marketing firm in St. Louis, Missouri. As an intern I managed analytics, created dynamic and interactive marketing campaigns, and optimized websites for search engines.

NOTABLE PROJECTS

Marquette University Television

(May 2017-present)

Milwaukee, WI

In addition to assisting the MUTV production team with live broadcasts, I helped redesign everything from the logo to the on-screen graphics.

St. Anthony on the Lake School

Promotional Video (May-September, 2017)

Pewaukee, WI

This project was a promotional video for a local school. It involved multiple interviews, drone video of campus, and extensive video and audio editing as well as graphic design.

Snapchat

Community Geofilters (2016-present)

To practice my graphic design skills, I began creating free Snapchat Community Geofilters for locations around the world. To date, I have more than 150 published filters that have gained more than 1.2 billion views.

SLUH Sports Network

Co-founder (2015-2016)

St. Louis, MO

In my senior year of high school I helped create a live streaming sports organization that began broadcasting sporting events. Within weeks our stream was being picked up by local television stations and we were garnering hundreds of followers.
